Dear Dave,

I do not know whether or not Ted Jamison sent you any information concerning the election of officers for this term. In case he did not, those elected were the following:

President..... Bruce Miller
Secretary..... Thompson Montgomery
Treasurer..... Bill Swartley
Program Director..... John Estey
Production Director.... Roger Morrel
Chief Engineer..... Bob Harper
Program Engineer..... Edward Gately

Last evening, we held another staff meeting, which resulted in two rather important decisions that Bruce has asked me to communicate to you. Nick Hazelwood was elected to the position of Program Engineer to fill the vacancy left by Gately's resignation. It was also decided that from now on, to alleviate the mixup, we would use the call letters W H V C while on the air, continuing, however, to use WHAV as the official name of the station until such a time as contractual agreements and capital invested in stationery, etc., would be in such a condition as to make a complete change expeditious.

Before my resignation from office last term, I was planning to send I.B.S. a copy of the Constitution of this station. If Ted did not send it in, and if you still want it, I would appreciate it if you would let me know so that I can prepare a copy.

Sincerely Yours,

Tom Montgomery, Secy.

P.S. Ernie Wilson says to say hello.

Dear Dave,

I do not know whether or not Ted Linton sent you any information concerning the election of officers for this term. In case he did not, those elected were the following:

President..... Bruce Miller

Secretary..... Thompson Montgomery

Treasurer..... Bill Searcy

Program Director..... John Eater

Production Director..... Homer Hays

Chief Engineer..... Tom Hays

Program Chairman..... Tom Hays

Last evening, I held another meeting, which resulted in two important decisions. First, Bruce has asked me to communicate to you, which Hazel had asked to his position of Program Director. I will the agency left by Gately's resignation. It was decided that from now on, to alleviate the mixup, we would use the call letters W H V C while on the air. Continuing, however, to use KHAV as the official name of the station until such time as contractual agreements and capital invested in stationery, etc., would be in such a condition as to make a complete change expedient.

Before my resignation from office last night, I was planning to send I.B.S. a copy of the Constitution of this station. If Ted did not send it in, and if you still want it, I would appreciate it if you would let me know so that I can forward it.

Sincerely Yours,

Tom Montgomery, Secy.
